

Lifetime Member Profile - Jean Goldie

What years were you involved with SHDA? 1983 to 2001

What positions did you hold on the SHDA executive and/or Scottish Pavilion? I served as SHDA secretary, newsletter editor, member-at-large, and I was honoured to serve as co-ambassador of the Scottish Pavilion (with Wendy Wilson) in 2009. I also performed at the Scottish Pavilion for 20 years as a member of the Scottish Country Dancers.

What is your favourite memory while on executive?

I liked being the newsletter editor and once wrote an article about making life-long friends through highland dancing.

What is your favourite highland dance to watch?

Any of the nationals.

Did you highland dance?

Yes! I started as an adult the same year our daughter started taking highland dance lessons. I was proud to do my medal tests, including the jig and hornpipe. The only competition I entered was the "Mothers' Lilt" at a highland event in California, for which I received my one and only trophy!
